## DETAILED ACTION

### ***Claim Rejections - 35 USC § 101***

1. Claims 7-12 and 22-23 are rejected under 35 U.S.C. 101 because the claims are drawn to a "program" per se as recited in each preamble and as such are drawn to non-statutory subject matter. See MPEP §2106.IV.B.1.a. Data structures not claimed as embodied in computer readable media are descriptive material *per se* and are not statutory because they are not capable of causing functional change in the computer. See, e.g., *Warmerdam*, 33 F.3d at 1361, 31 USPQ2d at 1760 (claim to a data structure *per se* held nonstatutory).

### ***Allowable Subject Matter***

2. Claims 1-6, 13-19, 20-21 and 24-25 are allowed.

The following is a statement of reason for the indication of allowance: As the applicant stated in the remarks of the amendment filed on 10/27/2006, 5/8/2006, and 11/13/2005.

Claim 7 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 101, set forth in this Office action.

Applicant's independent claims 1 and 13: The present invention is directed to a computer-controlled method comprising as defined in the specification (paragraph 0037-0057-0158), comprising. The independent claim identifies the uniquely distinct feature "receiving provisioning information from said provisioning device over said at least one preferred channel, wherein the provisioning information includes a credential and wherein the credential facilitates becoming a member of a secure credential"

infrastructure; and automatically configuring said wireless sensor for transmitting sensor information over a secure communication channel responsive to said provisioning information". Applicant's independent claims 1, 7, and 13 comprise a particular combination of element, which is neither taught nor-suggested by prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
